

The Reliant Searun series offers clean, traditional styling in two-piece spinning and casting rods. Searun rods are built in a 30/40-ton graphite blend with Fuji reel seats, Kigan no-tangle guides (for braided lines) and metallic green accents. Heavy-duty cloth sleeve is included. The three spinning rods and two casting rods all feature Reliant's long-distance progressive action for coastal Seatrout fishing.

## Spinning

P9 - 9' 2pc 7-28gr Progressive

P96 9'6" 2pc 7-28gr Progressive

P10 10' 2pc 14-42gr Progressive

## Casting

C96 9'6" 2pc 7-28gr Progressive

C10 10' 2pc 14-42gr Progressive
